Our purpose-driven people

Our culture attracts highly skilled and experienced leadership and learning development professionals. Our global, diverse team includes award-winning authors, dedicated researchers, keynote speakers, coaches, and industry experts with an average tenure of 11 years at Blanchard. Together, we have the context and hands-on experience you need to create a learning experience that will transform your organization.

Simple and powerful content

Effective leaders must learn new skills to adapt to their changing markets, to keep up with the needs of their people, and to be innovative. At Blanchard, we constantly evolve our evidence-based content and gather learner feedback to ensure our proven leadership frameworks continue to deliver the results leaders and managers need to succeed.

Learning modalities that fit learners' needs

Blanchard's content modalities help meet leaders where they are by offering a range of delivery methods, including in-person workshops, online and virtual courses, assessments, coaching, and reinforcement tools. Whether they prefer in-person, virtual, or online self-paced learning, we help everyone in your organization learn in the way that works best for them.

Leadership Development Programs

SLII®

The most widely used leadership training program in the world, SLII® teaches leaders how to build meaningful connections with coworkers that create exponential impact.

SLII® for Sales

A sales leadership program that equips leaders to increase the quality and frequency of coaching conversations—boosting connection, confidence, and performance across their sales teams.

Adapting to Change

Helps people understand why they often resist change and how to mindfully marshal their courage, curiosity, and resilience to adapt to changes they face.

Blanchard Management Essentials®

Building on the key concepts of the best-selling business book *The New One Minute Manager®*, this course teaches managers the core skillset to achieve success quickly and build positive relationships with their teams.

Building Trust

Teaches managers how to understand the impact of their behaviors on building trust or eroding it so they can increase engagement, creativity, and commitment.

Coaching Essentials®

Teaches managers the coaching mindset, essential skills, and structured process they need to accelerate development and bring out the best in their people.

Communication Essentials

Teaches employees the skills to listen to others, ask thoughtful and open questions, stay positive, and helpfully share their truth with others.

Conversational Capacity®

Teaches individuals how to engage in constructive, learning-focused dialogue when challenging topics or conflicts arise so they can make informed decisions and find the best solutions, even under high pressure.

Courageous Inclusion™

Teaches individuals a mindset that promotes diversity and inclusion with a proven process to help them become more knowledgeable and active proponents of inclusion in their workplace.

Essential Motivators™

Teaches managers a framework to help identify their pattern of core psychological needs, values, and talents so they can better understand themselves and others, be more effective, and appreciate different perspectives.

Fearless Innovation™

Teaches managers and individuals how to become more innovative through a four-step process that allows everyone to be more innovative in their role.

Leading with Empathy™

Teaches leaders how to be the kind of leader everyone wants: someone who understands others' feelings and responds with heartfelt concern to create an environment where people flourish.

Leadership Point of View™ ● ●

Teaches leaders how to uncover their values, write their leadership story, and create trusting relationships with their people.

Leading Hybrid Teams ●

Gives leaders the help they need to succeed when managing people working concurrently in remote, virtual, and in-person settings.

Leading People Through Change® ● ● ●

Teaches leaders how to approach change as an opportunity for high-involvement, collaborative leadership that includes all parties and improves the success of change initiatives.

Leading Virtually™ ● ●

Teaches managers how to increase the effectiveness and productivity of their remote or hybrid teams.

Legendary Service® ● ● ●

Teaches managers and front-line service providers how to consistently deliver exceptional service for internal and external customers alike.

Measurement Simplified ● ●

Build a practical strategy for measuring training impact using a six-level framework that links behavior change to business outcomes.

Self Leadership ● ● ●

Teaches individuals the mindset and skillset they need to become empowered, proactive self leaders who take control of their own success.

Servant Leadership Essentials™ ● ● ●

Teaches leaders how to build trust, listen, and give and receive feedback in ways that bring out the best in their people.

Strategy Essentials™ ●

Teaches leaders how to gain a bird's-eye view of the strengths and weaknesses of a team or organization, spot challenges and opportunities before it is too late to act, and allocate resources where they'll yield the greatest return.

Team Leadership ● ● ●

Teaches managers how to diagnose their team's development needs and apply the right leadership style to build and sustain high-performance teams.

Teaming and Collaboration ●

Teaches learners how to diagnose their team's stage of development and act in ways that contribute to its performance.

Levels of Leadership at a Glance

We believe when leaders better themselves as they better others, they become an unstoppable force for the greatest good. That's why Blanchard focuses on management training for every stage of a leader's career journey.
